30. Department of Anaesthesiology: List of Faculty Members

Department	Name of the faculty Qualification IMR Number	Current Designation & Date of promotion	Nature of employment Regular/ permanent or contract/ outsourced	Details of Service in the Last 5 years					Number of lectures taken/year. Topics covered
				1	2	3	4	5	
ANAESTHESIA	Dr.ANAND TIPPANNA TALIKOTI MBBS , MD 61047	PROFESSOR AND HOD Promoted to Professor on 28-07-2014	Regular and permanent	EPCMS RC,BANGALORE as Professor and HOD since 18-08-2017	EPCMS RC,BANGALORE as Professor and HOD since 18-08-2017	EPCMS RC,BANGALORE as Professor and HOD since 18-08-2017	EPCMS RC,BANGALORE as Professor and HOD since 18-08-2017	SDUMC ,KOLAR as Professor since 28-07-2014	Large Group Discussions – 20 Short Group Discussions-5. History of Anesthesia, Physiology of Respiration ,Inhalational Agents, stages of Anaesthesia,Basics of CPR , Pre-Anesthetic Evaluation, Principles of General Anaesthesia, Acute and Chronic Pain BLS/ACLS Workshops
	Dr.BRIJESH G.C MBBS , MD 74492	PROFESSOR Promoted to Professor on 10-11-2021	Regular and permanent			SMMCH and RC, Chennai as Associate Professor since 10-07-2019		SIMS and RC,Bangalore as Associate Professor since 04-08-2014	Large Group Discussions – 1 Short Group Discussions-1. O2/CO2 Transport, O2 Flux

									Poisoning
	Dr.RAGHUNATH .N MBBS , MD 56045	ASSOCIATE PROFESSOR Promoted to Associate Professor on 15-03-2010	Regular and permanent					EPCMS RC,BANGALORE as Associate Professor since 16-09-2016	Large Group Discussions – 1 Short Group Discussions-1. Anatomy of upper airway And Vocal cord palsies
	Dr.E.J SRINIVAS MBBS , MD 92069	ASSOCIATE PROFESSOR Promoted to Associate Professor on 02-11-2021	Regular and permanent	MVJ MC and RH, Bangalore as Assistant Professor since 12-01-2016	MVJ MC and RH, Bangalore as Assistant Professor since 12-01-2016	MVJ MC and RH, Bangalore as Assistant Professor since 12-01-2016	MVJ MC and RH, Bangalore as Assistant Professor since 12-01-2016	MVJ MC and RH, Bangalore as Assistant Professor since 12-01-2016	Large Group Discussions – 1 Short Group Discussions-1. Assessment of Airway – methods and scoring system with demonstration
	Dr.SATYANARAYANA.K.P MBBS,MD 88548	ASSISTANT PROFESSOR Promoted to Assistant Professor on 16/07/2018	Regular and permanent	EPCMS RC,BANGALORE as Assistant Professor since 16/07/2018	EPCMS RC,BANGALORE as Assistant Professor since 16/07/2018	EPCMS RC,BANGALORE as Assistant Professor since 16/07/2018	EPCMS RC,BANGALORE as Senior Resident since 08-04-2017		Large Group Discussions – 5 Short Group Discussions-3. Oxygen Therapy – Modes and methods. IPPV and Ventilation Monitoring – Methods,uses of various types of Monitors like pulse Oximeter,ECG,NIBP Fluids and Electrolyte Balance BLS/ACLS Workshops
	Dr.K. SAI PRIYANKA MBBS, MD	ASSISTANT PROFESSOR Promoted to Assistant	Regular and permanent	EPCMS RC,BANGALORE as Assistant	EPCMS RC,BANGALORE as Assistant Professor since	EPCMS RC,BANGALORE as Senior Resident since			Large Group Discussions – 5 Short Group Discussions-3.

	ANP20110001246	Professor on 01/10/2019		Professor since 01/10/2019	01/10/2019	01-02-2018			Local Anaesthetic – pharmocology,uses,indications contraindications Blocks – Digital Block,Ankle Block,Infiltration Anaesthesia Epidural Anaesthesia – Technique,Indications and Complications. BLS/ACLS Workshops
	Dr. NETRAVATHI H MBBS,MD 103413	ASSISTANT PROFESSOR Promoted to Assistant Professor on 29/03/2021	Regular and permanent	EPCMS RC,BANGALORE as Assistant Professor since 29/03/2021	EPCMS RC,BANGALORE as Senior Resident since 19-08-2019				Large Group Discussions – 5 Short Group Discussions-3. Muscel relaxants – Depolarizing and non Depolarizing blockers – Mechanisn and uses. Shock - Classification and Management BLS/ACLS Workshops
	Dr.ALEN MATHEW MBBS,MD 92862	ASSISTANT PROFESSOR Promoted to Assistant Professor on 28/09/2017	Regular and permanent	EPCMS RC,BANGALORE as Assistant Professor since 19/04/2021		K V G MED COLLEGE, SULLIA, as Assistant Professor since 28-09-2017	K V G MED COLLEGE, SULLIA, as Assistant Professor since 28-09-2017	K V G MED COLLEGE, SULLIA as Senior Resident since 22-09-2016	Large Group Discussions – 5 Short Group Discussions-3. IV fluids – Classification, indications Spinal Anaesthesia – Technique, Indications and Complications Blood transfusion – Indications and Complications BLS/ACLS Workshops

N.B.

1. Publications by faculty should be attached as annexure.

2. Publications should be quoted in Vancouver referencing style.

3. Medical Educator Training/ research methodology and dates

*To be updated every new session/academic year

**To be updated on 1st October each year

ANNEXURE-1

Sr. No	Faculty Name	Publication in Vancouver referencing style.	Pubmed Indexed Yes/No	Scopus indexed
1.	Dr. ANAND TIPPANNA TALIKOTI	1. Talikoti AT, Dinesh K, Kumar HJ, Jayasheel H, Dinesh M.Third and fourth cranial nerve involvement following trigeminal neurolytic block with absolute alcohol. J Anaesth Clin Pharmacol 2010 ; 26(3): 387 -388.	YES	YES
		2. Talikoti AT, Dinesh K, Deepak V D, Somasekharam P. Anaesthetic management of a patient with complete AV block associated with congenital corrected TGA with difficult airway. J Anaesthesiol Clin Pharmacol 2011;27:117-8	YES	YES
		3. Talikoti AT, Dinesh K, Kumar A, Goolappa. Ankylosing spondylitis: A challenge to anaesthesiologists due to difficulties in airway management and systemic involvement of disease. Indian J Anaesth 2010;54:70-1	YES	YES
		4. Talikoti AT, Sindhu B, Kavyashree S, Kumar KK. Alcoholic delirium tremens with hollow viscus perforation scheduled for emergency laparotomy. Indian J Anaesth. 2012;56(2):189–192.	YES	YES
		5. Talikoti AT, Rao S, Ravi M, Priyamargavi H. A case of subacute intestinal obstruction with overt hypothyroidism in stupor scheduled for emergency laparotomy. Indian J Anaesth 2014;58:347-9	YES	YES
		6. Talikoti AT, Dinesh K, Deepak VD, Nanda A, Somasekharam P. Comparison of injection lignocaine (preservative free) 1.5 mg/kg i.v with oral pregabalin 150 mg for attenuation haemodynamic response to laryngoscopy and tracheal intubation.J Indian Med Assoc. 2013 Oct;111(10):692-6.	YES	NO
		7. Talikoti AT, Dinesh K, Nanda A, Kumar P, Somasekharam P. Optimizing the dose of preemptive oral pregabalin for postoperative pain control after abdominal hysterectomy under spinal anaesthesia. J Clin Biomed Sci 2013; 3(1): 12-19**.**	NO	NO
		8. Nupoor N, Talikoti AT, Ramesh Kumar PB, Dinesh K. Epidural bupivacaine with dexmedetomidine or fentanyl for lower abdominal and lower limb surgeries – A Randomized Prospective Study. J Clin Biomed Sci 2016 ; 6: 14-19.	NO	NO
		9. Sebastian B, Talikoti AT, Kiran N, Dinesh K. Effect of oral pregabalin as preemptive analgesic in patients undergoing lower limb orthopedic surgeries under spinal anaesthesia. Journal of Clinical and Diagnostic Research 2016 ; 10(7) : 1-4	NO	NO
		10. Sebastian B, Talikoti AT, Krishnamurthy D. Attenuation of haemodynamic responses to laryngoscopy and endotracheal intubation with intravenous dexmedetomidine: A comparison between two doses. Indian J Anaesth 2017;61:48-54	YES	YES

2.	Dr. BRIJESH G C	1. Brijesh GC, Naveen Kumar Chekka, Shailesh Kumar et al. A Randomised Controlled Study Evaluating the Efficacy of Dexamethasone in Preventing Post-operative Nausea and Vomiting and its Effect on Blood Glucose. Indian J Anesth Analg. 2019;6(6Part-II):2077-2082. 2. T Deepa, Brijesh G C, Renuka R. Comparison of dexmedetomidine v/s buprenorphine as an adjuvant to levobupivacaine in spinal anesthesia for infraumbilical surgeries. IJMA 2018;1:37-41. 3. Prakash Jay, Kumar Nitin, G C Brijesh, Prabhu J, Prashanth, Raja K R et al. Comparision of to deferant doses of clonidine hydrochloride as an adjuvant to Epidural bupivacaine for post operative analgesia :A prospective double blind randomised parallel clinical study.Indian J Anesth Analg 2018;5:1862-71. 4. S Cherian Sherley, Kumar Shailesh, Jaleel Juma, GC Brijesh. Assessment of supraclavicular brachial plexus block with or without dexamethasone as an adjuvant to 0.5% levobupivacaine.IJMA 2021;4:25-27	NO NO NO NO	NO NO NO NO
3.	Dr. RAGHUNATH N	1. Srinivas E.J, Raghunath N. Combined effects of high protein intake and early exercise in adult intensive care Patients: A Prospective Study. EAS J Anesthesiol Crit Care 2021;3:114-16 2. Srinivas E.J, Raghunath N. A Prospective study on Dexamethasone as an analgesic adjunct for post cesarean delivery pain. EAS J Anesthesiol Crit Care 2021;3:117-19	NO NO	NO NO
4.	Dr. E J SRINIVAS	1. Srinivas E J. A Comparative study between epidural and combined spinal epidural analgesia on labour. IJMA 2020;3:291-93 2. Srinivas E.J Comparision of laryngeal mask airway and Endotracheal intubation in Paediatric age group : A cross sectional study. IJMA 2020;3:294-96 3. Srinivas E.J, Raghunath N. Combined effects of high protein intake and early exercise in adult intensive care Patients: A Prospective Study. EAS J Anesthesiol Crit Care 2021;3:114-16 4. Srinivas E.J, Raghunath N. A Prospective study on Dexamethasone as an analgesic adjunct for post cesarean delivery pain. EAS J Anesthesiol Crit Care 2021;3:117-19	NO NO NO NO	NO NO NO NO

REVISED BASIC COURSE WORK SHOP IN MET-

1. Dr. ANAND TIPPANNA TALIKOTI- Completed revised basic course work shop in met from 28/11/2016 to 30/11/2016 at Sri Devaraj Urs Medical College Kolar coducted by st. John's Medical College, Bangalore,Nodal Centre in Medical Education technologies, under observer Dr.Maria Pauline

BASIC COURSE IN BIOMEDICAL RESEARCH – STAFF COMPLETED **BASIC COURSE IN BIOMEDICAL RESEARCH BY ICMR/NIE**

1. Dr. ANAND TIPPANNA TALIKOTI – Roll No – **NPTEL21MD04S23190698** – MAR to JUN 2021
2. Dr. K SAI PRIYANKA – Roll No – **NPTEL21MD04S23194876 -** MAR to JUN 2021
